

SHEMREI

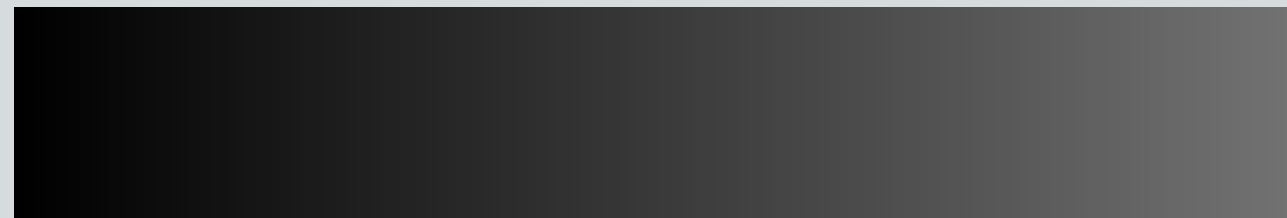

MARABILLO

The Brand

I created **sbm.+** to establish a personal brand that reflects who I am as a developer, designer, and creative professional. It's more than just a name—it's a statement of my passion for innovation, my commitment to growth, and my dedication to delivering high-quality work that makes a meaningful impact.

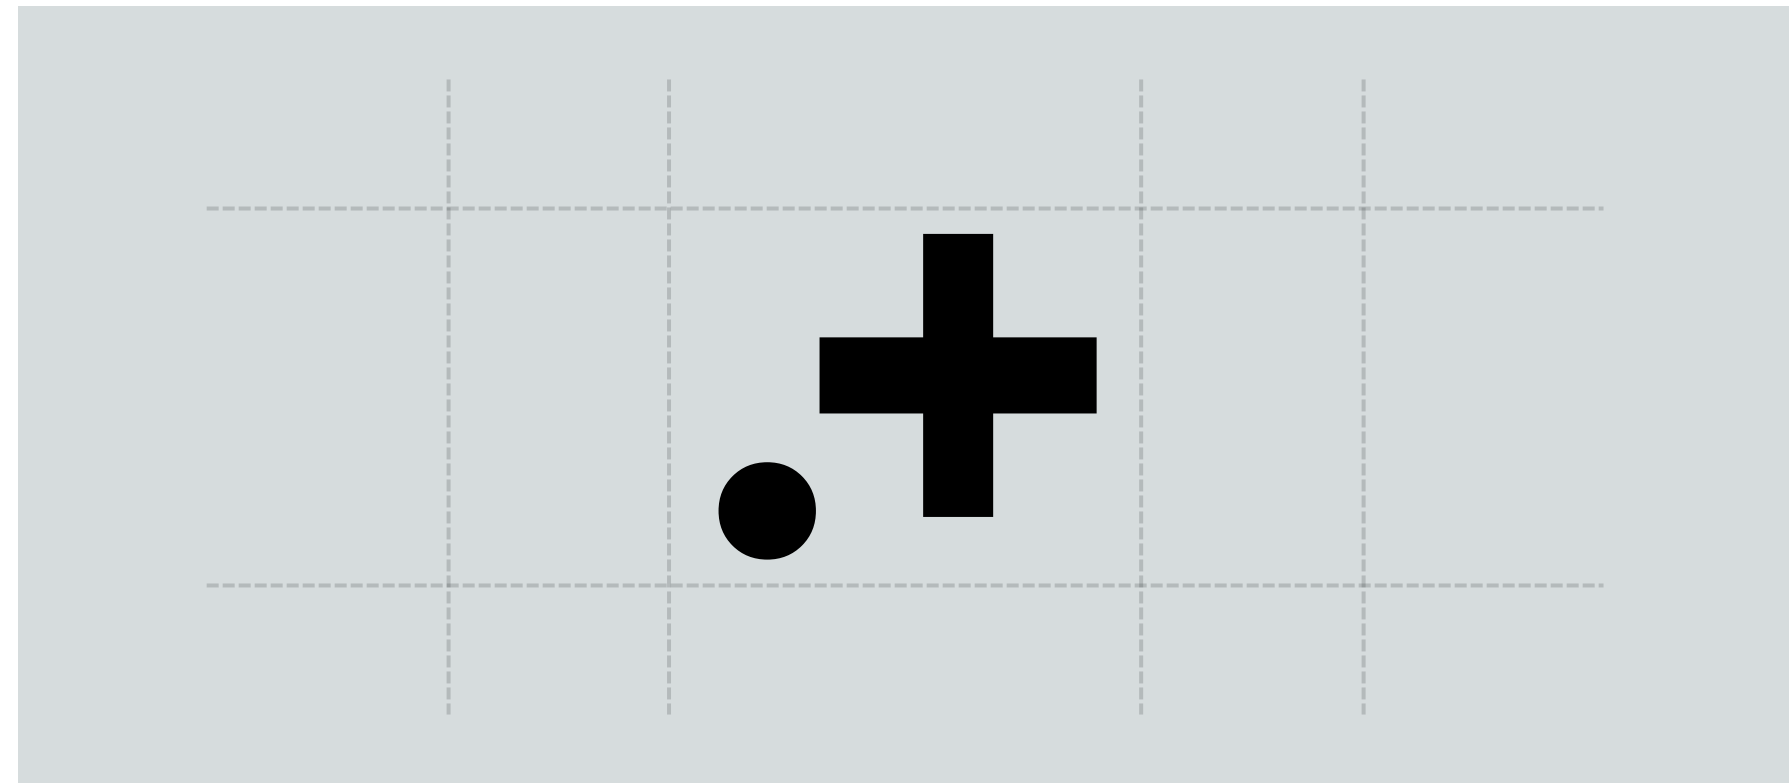

Brand Owner

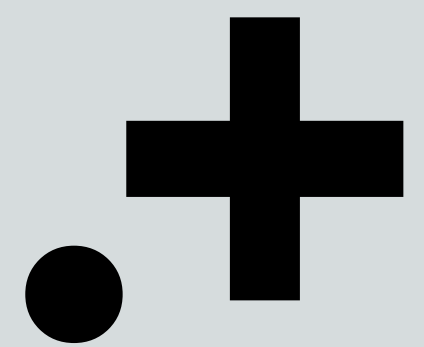

A recent BSIT graduate with a focus on web development and design. With a creative mind, I strive in providing digital solutions to make your ideas stand out in the web.

Main Logo

The dot signifies focus and attention to detail, while The plus represents drive to constantly grow, learn, and expand my skillset—aligning with my goal as a full-stack developer. **sbm.+** is more than a name—it's a promise to bring value, innovation, and impact to every project.

Typography

Regular Bold

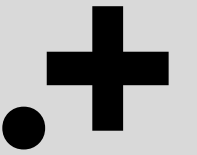

TT Norms

TT Norms is a modern, geometric sans-serif typeface known for its clean, minimal, and highly versatile design.

DESIGN DEVELOP

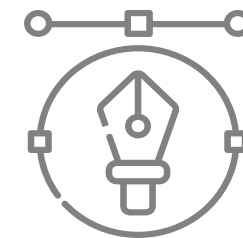

What I offer

My skills are not limited to one category, I provide multiple services that are needed in the tech industry.

Web Development

Building websites that showcase your brand and engage your audience.

Graphic Design

Creating illustrations and graphics that enhance your brand and stand out.

Web Design

Designing intuitive web design that enhance user engagement and satisfaction.

Presentation Design

Creating slides that convey your message and captivate your audience.

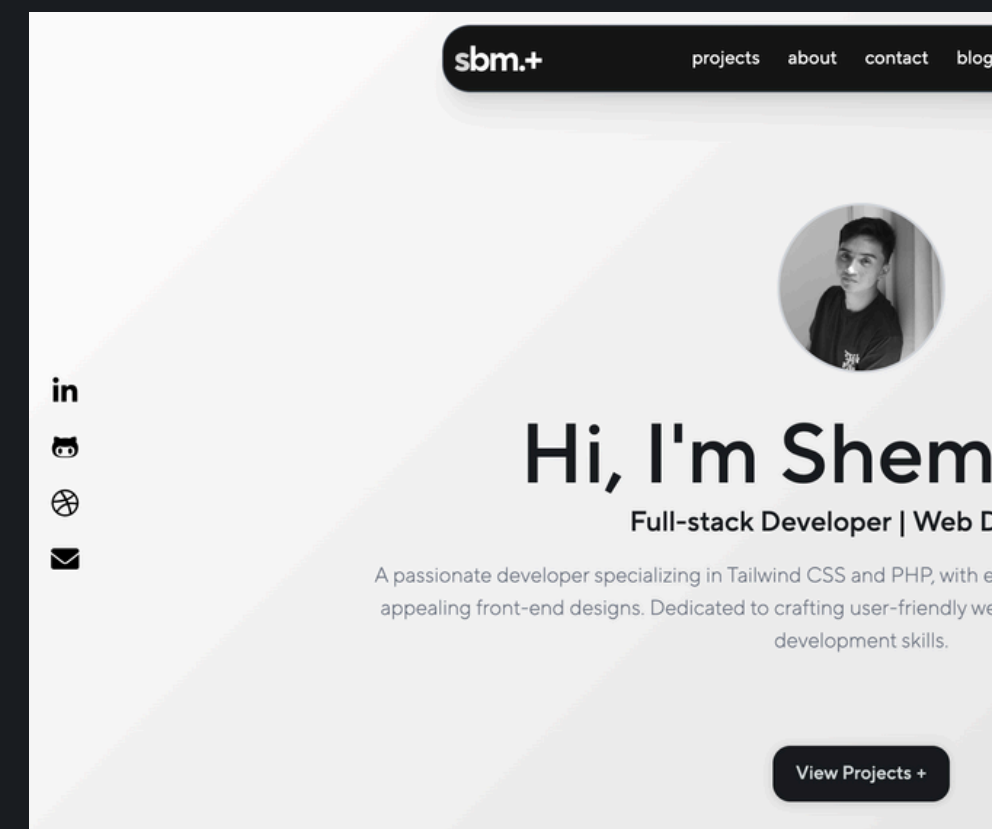

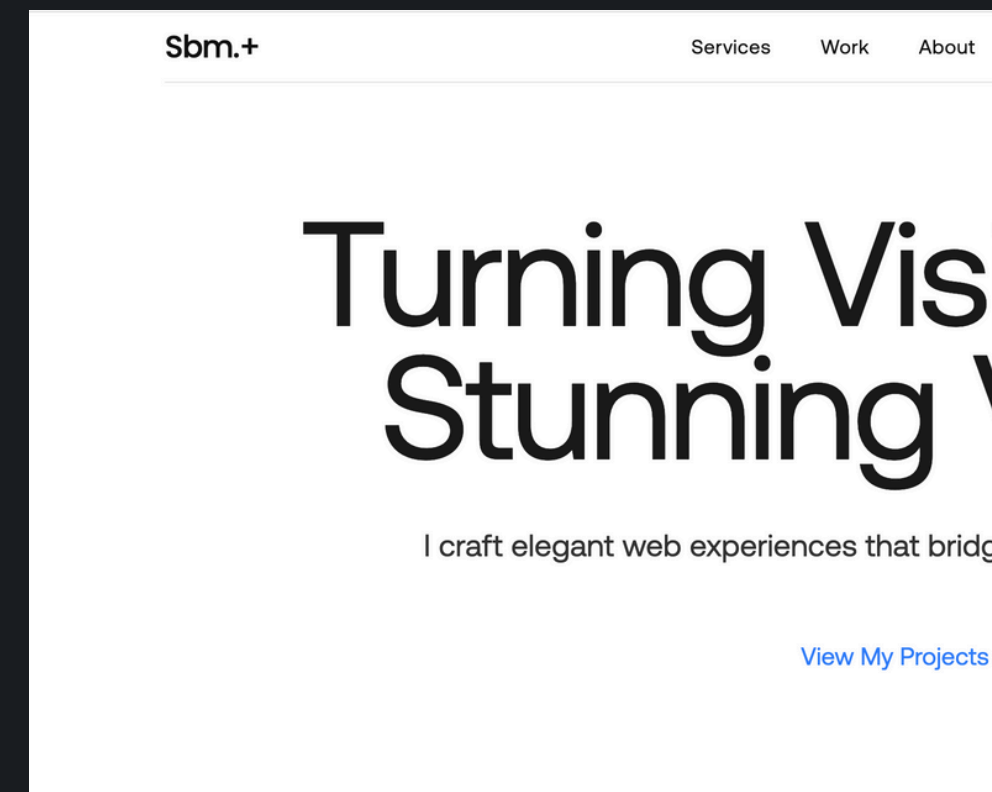

Web portfolio

Having a web portfolio is essential for showcasing my skills, projects, and professional journey as a web developer and designer. It serves as a dynamic and interactive platform that reflects who I am and what I bring to the table.
